27 March 2014

Dear Parents/Guardian,

**Re: Family Day 2014 – Family Fun with ABC**

Family Day is about you and your family celebrating family time together. The theme for Family Day 2014 is *Family Fun with ABC*. This is to reinforce the approach to family time as advocated in the newly launched P1 and 2 Character & Citizenship Education (CCE) curriculum - Active Dialogue, Bonding Time, Continuous Feedback (ABC). Thus, *Family Fun with ABC* provides opportunities for parents to practise ABC through exciting family activities and events.

To ensure families cater time for ABC, a specially designed passport guides you through an array of activities and events. The activities and events are categorized accordingly. To encourage Active Dialogue amongst family members, activities like ‘Live’ performances by selected aesthetics CCAs, Captain’s Ball, games stalls and Green Movement games and booths, provides the opportunity for parents to share and reinforce values to your children through meaningful conversations. Bonding Time provides opportunity for parents and child to demonstrate values in an authentic learning experience through Family Sports @ Kong Hwa School where you and your child learn Kangoo Jump or I Bounce together. If you are an ex-Kong Hwaian between 20 to 40 years of age, you can participate in Alumni X-box Challenge with a sibling or child for family bonding. For Continuous Feedback, you are encouraged to write positive feedback to your child at a booth specifically for the purpose.

Family Day is made meaningful with involvement from internal and external stakeholders. The co-organizers of this year’s Family Day are the Very Supportive Parents (VSP) and Kong Hwa School Alumni. We will also be inviting the elderly from one of our adopted Old Folks Homes in the community. It is hoped that the collaboration will make the day purposeful and fun for you and your family.

Please refer to the attached flier for details and order form for purchase of tickets. We look forward to your participation.

Yours sincerely,

Mrs Cheong Ye Ling
Principal
