Dear Parent / Guardian,

P2 Making Biscuit Sandwiches

The Primary 2 students have completed their reading of "Food Fit for a King". The English Department has planned a shared experience in which the pupils will be making biscuit sandwiches. The purpose is to provide the context and content for pupils to think, talk and write about (MLEA – Modified Language Experience Approach). The following food items will be provided. Please let us know if your child is allergic to any of the items and advise him/her not to take the items when they are distributed during the activity. Please return this form to the English teacher by Wednesday, 12 April 2017. A nil return is necessary.

Thank you.

Yours sincerely

Mrs Wong Si Yi
LH – English

Name of student: _____ Class: _____

My child is **not allergic** to any of the food items.

My child is **allergic** to the food items.

Food Items	Please <u>tick</u> if your child has an allergy
