**KONG HWA SCHOOL**

**P1 Holistic Assessment  
2017**

# Preparing Our Students for the Future

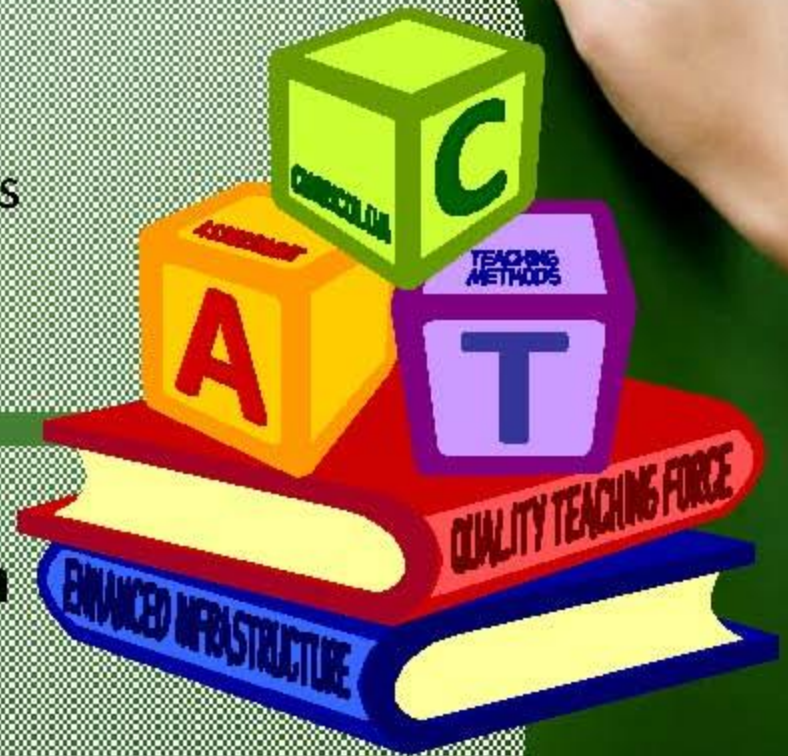

# Primary Education Review and Implementation Committee (PERI)

## Recommendations

- **Balancing Knowledge with Skills & Values**
  - Engaging Teaching Methods
  - Balanced Curriculum
  - Holistic Assessment
- **More Resources for a Quality Primary Education**
  - Quality Teaching Force
  - Enhanced Infrastructure

# Balancing Knowledge with Skills & Values

## ■ Holistic assessment to support learning

- Integral part of Teaching and Learning
- Provides information that can be used to improve pupils' learning and teachers' instruction

**Summative** – measure pupils' attainment and sometimes for purpose of ranking and placement

**Formative** – provide information to improve pupil learning and classroom teaching

# Assessment at Primary 1

✓ Shorter assessments

✓ More and richer feedback

✓ Appropriate types of assessment

Short weighted assessment tasks in Terms 2, 3 and 4:  
e.g.

• Topical Tests

• Short Writing

• Reading

• Performance Tasks

# How will you receive feedback on your child's progress?

## 1) Termly reports

- Checklists to indicate key learning outcomes

## 2) End of year report card

- Marks and/or grades to show your child's attainment
- Overall qualitative comments on your child's learning

# How will this benefit my child?

- Pacing learning
  - Caters to wider range of assessing
  - Regular and timely feedback
- More confident
  - Motivated to learn
  - Enjoys learning

*Thank You*
