Dear P1 Parents/Guardian

Learning Management System 2018

Kong Hwa School is committed to provide each and every student the best in education. Our school recognises the benefits of e-learning in enriching our student learning experiences beyond the traditional paradigms of teaching and learning. As such, our school has fully subsidised the subscription of a learning management system for all our students.

Our e-learning partner is Marshall Cavendish Education Pte Ltd and the e-learning portal is MOnline.sg. You may access the portal via PC or Mobile App (IOS or Android). We would like to request that you login to the portal using the instructions attached to explore the functions available.

If you encounter any problems using the e-learning portal, you may direct your queries via email to: info@mceducation.com or you may call the hotline **6777 5198** during the following hours.

Monday – Friday: 7am – 9pm, Saturday: 7am – 2pm (Closed on Sundays & Public Holidays)

Thank you.

Yours Faithfully,

Mr Low Kok Leong
